

Sado (Japanese Tea Ceremony) Demonstration, Workshop

Sado (Japanese Tea Ceremony) demonstration and workshop was held on Thursday the 5th of September at the Embassy of Japan, in association with Wellington Omotesenke Sado Club.

11 students from Onslow College and 31 people from the public enjoyed learning the Japanese way of tea ceremony. After the demonstration, all participants made their own tea and tasted beautiful Japanese tea.

We would like to thank the Wellington Omotesenke Sado Club for their wonderful performance.
