On 19 February 2025, Ambassador OSAWA presented the Ambassador's Prizes to Mr Wade NEWSOME from Massey University for his outstanding achievement in Japanese language studies.

The Embassy has been awarding the Ambassador's Prize for Japanese language students for the past 16 years in recognition of the hard work of Japanese language students at both universities.

We also appreciate the long-standing dedication of Japanese lectures at the university to the promotion of Japanese language education.

Congratulations on this well-deserved recognition! 🎉
