

## Saint Mary's College Visit to JICC, March 26 2019

We had such a great time with the year 11 and 12 students of Saint Mary's College, who came to visit us on the 26<sup>th</sup> of March! The students were all really quick at *Karuta*, and also tried their hand at traditional Japanese toys, *Kendama* and *Daruma Otoshi*. We then ended the visit by talking about some amazing future opportunities in Japan, like the JET Programme.

We really enjoy having students over to visit, so please contact us at any time if you wish to organise a visit of your own! Depending on distance, our staff can also visit your school if you aren't able to come to us.
