

Attention: Japanese Companies operating in New Zealand

Re: 2022 Survey on the number of offices of Japanese companies operating overseas

Thank you for your continued understanding and support for our diplomatic activities in New Zealand.

Every year, the Ministry of Foreign Affairs (MOFA) of Japan conducts the survey below in order to learn about the latest activities of Japanese companies operating overseas, so that we can use these findings as basic resources for our diplomatic policies, services for Japanese companies, and further understanding of our relationship with other countries and regions.

MOFA website: Past Survey findings on the Number of Offices of Japanese Companies Operating Overseas

https://www.mofa.go.jp/mofaj/ecm/ec/page22_003410.html (Japanese Only)

As in previous years, this year's survey will be sent to the companies targeted for this research. In the past, this survey was conducted by sending the 'survey form' by email to each respective company. This year, however, instead of sending the aforementioned 'survey form' to each of the companies, we will send a BCC email to all of the companies concerned, containing the link to the survey website. They can expect to receive this email from one of our staff, Ms HAYASHI Naoko, Researcher/Adviser at the Economic Division, around the middle of December, so we would appreciate their cooperation in responding to the survey.

8th December, 2022

Officer in Charge: Ms HAYASHI Naoko, Researcher/Adviser
Economic Division, Embassy of Japan in New Zealand
