

New Zealand National Judo Championships (7 October 2023)

The New Zealand National Judo Championships was held in Porirua on 7-8 October. At the invitation of the Wellington Judo Association, Ambassador Ito and his wife attended the Medal Presentation in the morning of 7 October and presented medals to Judoka from all over the country. We look forward to the further development of Judo in New Zealand in the future, and the further deepening of mutual understanding between Japan and New Zealand through Judo.
